LOCAL MUSIC GROUP AVALANCHE TO PERFORM ON ACOUSTIC GUITARS

St. Charles, June 7 -- Three members from the musical group "Avalanche" will perform acoustically at the Steel Beam Theatre on Friday June 28th at 7:00 P.M. There will also be two shows on Saturday June 29th: one at 6:30 P.M. and one at 9:00 P.M.

The band has been performing acoustic rock classics and original songs for the past 20 years. Their blend of melodic vocal harmonies, along with strong musical arrangements, have captured hearts and entertained audiences at numerous venues throughout the Fox Valley and the Midwest.

Dennis O'Brien, a St. Charles native, and Charlie Prazma will be joined at the Steel Beam Theater by Todd Brooks on percussion, as well as by various musical guests who will be "sitting in" and adding their talents to the group's repertoire. Performing a wide range of music, the trio incorporates guitars and mandolin in their musical repertoire, appealing to diverse audiences of all ages. Their selections include songs from such artists as the "Eagles", "Yes", "Jethro Tull", Dan Fogelberg and Van Morrison as well as many others.

The concert is sponsored by [Northern Sky Designs, LLC](#), a local Web Design Company and www.OnTheFox.com, where the Avalanche Website can be found along with dates when Avalanche is playing -- end --
